### WHEELER'S DOUBLE LEADS THE WAY FOR WESTBURY

#### Westbury United 3-0 Bridport

Westbury cruised to victory against their mid-table visitors and, with Wayne Wheeler looking back to his instinctive best, their target of a top six finish is looking a good possibility. The only negatives on the evening were the absence of Steve Seals through injury and a finger injury sustained by keeper Nick Evans ; teenager Charlie Heydon took over in goal midway through the first half. David Thompson made his first start since February and he gave an energetic performance in midfield.

Wheeler almost opened the scoring on nine minutes but Josh Bourton raced back to clear off the line after Wheeler had lobbed the ball over Bridport keeper Nick Carroll. The opening goal came in almost identical circumstances on 22 as Wheeler latched onto a through ball and lobbed it over Carroll and into the net.

It was Bourton who tried his luck against Heydon just after the half hour, but his 35 yarder flew wide of the target. Dan Wise also went close from long range as Westbury's defence kept them at bay.

The second goal on 42 minutes was created by a superb crossfield pass by Lee Morgan to Matty Smith. The young winger took a touch and drove the ball into the box where Sam McQueen took advantage of slack marking to score for the second home game in a row.

Westbury dominated the second half to such an extent that Bridport's only chances came in the last ten minutes. Richard Jackson and Martin Underhay both failed to test Heydon. Luke Smith hit a long ranger that Carroll watched wide, but it was the keeper who was at fault for Westbury's third goal on 76 ; he came out of goal but failed to challenge Wheeler who had been set up by good work from Thompson. Wheeler was alert enough to clip the ball into the net from the edge of the box and complete a fine victory for his team.
